1. SERVICES AND PACKAGE DETAILS

1.1 Personal Training packages

Package	Coaching duration	Included sessions	Package fee
Start	4 weeks	8 sessions	₱8,000
Build	8 weeks	16 sessions + 1 bonus	₱16,000
Establish	12 weeks	24 sessions + 2 bonus	₱24,000

Each in-person session ranges from 60 to 90 minutes unless otherwise agreed in writing. The package fee includes the following coaching support throughout the package term, even if all paid sessions are used before the term ends:

- Personalized training program and adjustments, delivered through PDF or document files.
- Progress tracking through the client dashboard and agreed tools, including Google Sheets and *Hevy app* where applicable.
- Weekly check-ins and monthly progress reviews using Google Forms and/or Google Meet, as agreed.
- Habit tracking and general nutrition guidance to be established in the Goal Setting Session.

Bonus sessions do not carry an additional personal-training session fee. Any applicable location surcharge still applies to each bonus session.

A week starts every Monday and ends every Sunday (7-day period)

1.2 Online Coaching

Fee: ₱4,000 per month. The applicable monthly service dates will be recorded on the first page of this Agreement and in the acknowledgment receipt.

- Personalized training program and ongoing adjustments
- Progress tracking
- Weekly check-ins with coach feedback
- Monthly progress review.
- Habit tracking and general nutrition support.
- Coaching-related messaging within agreed support boundaries.

Response time: The Coach aims to respond within 24–48 hours on business days. Responses may take longer on weekends, holidays, or during periods of limited availability. Messaging is not emergency support or continuous monitoring.

Virtual sessions are not guaranteed or included as a standard deliverable. They may be offered at the Coach's discretion and by mutual agreement.

1.3 Scope and limits

Coaching is fitness training, education, and accountability. It is not medical care. The Coach is a Certified Personal Trainer and is not a medical professional.

The Coach does not:

- diagnose, treat, or manage any injury, illness, or medical condition
- provide physical therapy or rehabilitation
- prescribe meal plans, diets, supplements, or medication

Nutrition guidance is general education only. It is not a personalized meal plan, and it is not advice for a medical condition.

For anything outside this scope, the Client should consult a doctor, physical therapist, or registered dietitian, including before starting if the PAR-Q & Health Declaration raises any concern. If the Client's condition or symptoms fall outside this scope, the Coach may pause or modify training and refer the Client to a qualified professional. The Coach will not provide any service outside their qualifications.

1.4 Key terms

Start Date: The date coaching begins, as agreed in writing by both Parties. It must be on or after the date the Coach confirms the first payment. If the first payment has not been received by the agreed Start Date, coaching does not begin and the Parties will agree on a new Start Date in writing. The 7-day refund period in Section 6 runs from the Start Date.

Goal Setting Session: The onboarding session held after payment is confirmed. The Coach and Client agree on the Client's goals and minimum standards and record baseline measurements, photos, and an initial fitness assessment. It does not count toward the included sessions.

1.5 Additional sessions

The Client may add sessions to a Personal Training package or to Online Coaching, for example to train more often than the package allows. Each additional session costs ₱1,000, plus the location surcharge for the agreed training location under Section 2. Additional sessions must be paid for before use, follow the same scheduling and cancellation rules as included sessions (Section 5), and are subject to the Coach's availability. They must be used within the current package term or, for Online Coaching, the current monthly period. They do not carry over to another package or period and are not transferable. An unused additional session is refundable if the Client asks for the refund in writing before the term or monthly period ends. The refund is the ₱1,000 session fee plus any location surcharge paid for that session. Sessions already delivered or forfeited are not refundable.

2. LOCATION FEES AND FACILITY ACCESS

The Personal Training base rate is for **Parañaque**. A location surcharge applies per session based on the agreed training location. The exact fee for any location with a range will be confirmed in writing before package purchase.

Location	Surcharge per session	Total rate per session*
Parañaque	₱0	₱1,000
Las Piñas	+₱150	₱1,150
Pasay / MOA	+₱150–₱200	₱1,150–₱1,200
Alabang / Muntinlupa	+₱150–₱200	₱1,150–₱1,200
Makati	+₱200–₱250	₱1,200–₱1,250
Taguig / BGC	+₱300	₱1,300
Bacoor	+₱200–₱300	₱1,200–₱1,300

**Total rate shown is the base session rate plus the location surcharge. Location surcharges are separate from package fees and apply to every session delivered at that location, including bonus sessions. Other locations are subject to quotation and mutual agreement. Location surcharges are billed with each payment, as described in Section 4.*

The Client is responsible for gym membership, day passes, trainer/guest access fees, and other facility charges required for the Coach to enter and conduct the session. The Client must confirm that the selected facility permits external coaching. If access is denied, the Parties will agree on an alternative location, virtual option where available, or rescheduling. If the Client did not confirm facility access in advance, the session may be treated as forfeited under Section 5.1.

Home sessions: Where the Client requests an in-person session at their residence, the Client ensures a safe, adequately spaced, hazard-free area and provides any equipment, unless otherwise agreed in advance. The Coach is not responsible for the condition or safety of Client-provided equipment, or for damage to the Client's property arising from the session, except

in cases of willful misconduct by the Coach or where liability cannot lawfully be excluded. The location surcharge for the area where the residence is located applies, and the cancellation and rescheduling rules in Section 5 apply equally.

3. CLIENT RESPONSIBILITIES AND HEALTH DECLARATION

- Provide accurate and complete information relevant to exercise safety, including injuries, symptoms, health conditions, and relevant medication.
- Complete the PAR-Q & Health Declaration before coaching begins and promptly disclose any change in health or symptoms.
- Submit weekly check-ins and communicate honestly about adherence, recovery, pain, discomfort, dizziness, or other concerning symptoms.
- Follow reasonable safety instructions, exercise within personal limits, and stop an activity and notify the Coach if concerning symptoms occur.
- Seek medical advice or clearance when indicated. The Coach may modify, pause, or defer training where a safety concern arises.
- Take responsibility for personal choices, consistency, nutrition, recovery, and adherence. Results are not guaranteed.

The Client acknowledges that exercise involves inherent risks, including soreness, strains, falls, aggravation of existing conditions, and other injury. The Client chooses to participate with awareness of these risks. Nothing in this Agreement excludes or limits liability or rights that cannot lawfully be excluded or limited. The Client also signs a separate Liability Waiver, which forms part of this Agreement.

4. PAYMENT

The applicable package or monthly fee, location surcharge (if any), payment method, and payment dates will be recorded on the first page of this Agreement and in the acknowledgment receipt. Unless otherwise agreed in writing, the first payment must be received before coaching services begin. The Coach will confirm payment and provide an acknowledgment receipt.

For Personal Training packages, the package fee covers the included paid sessions and coaching support during the stated term. Location surcharges are additional and are payable for each session conducted at the applicable location. **Bonus sessions waive only the session fee, not the location surcharge.**

Payment plans: The Client may pay the package fee in full upfront, or choose a 50/50, monthly, or weekly payment plan. All payment plans are available for every Personal Training package. The total package fee is the same under every plan, and the Client remains committed to the full package term. The first payment must be received before the Start Date, and the amount and due date of each later payment are recorded in the acknowledgment receipt. Payments made under a payment plan are not covered by the 7-day refund guarantee in Section 6.

Location surcharges: Location surcharges are billed together with each payment and cover the sessions scheduled in that payment's period. A Client paying in full pays the surcharge for all planned sessions upfront. If the training location changes, the difference is settled with the next payment.

If an agreed payment is late, the Coach may pause sessions, feedback, and program updates until payment is received. The program term continues during a payment-related pause unless the Parties agree otherwise in writing. Any outstanding amounts for services already delivered remain payable.

5. SCHEDULING, CANCELLATION AND EXPIRY

5.1 Notice: The Client must give at least 24 hours' notice to cancel or reschedule a session. A late cancellation or no-show will be treated as a forfeited session. The Coach may make reasonable exceptions for emergencies or exceptional circumstances. Repeated no-shows without notice may result in termination under Section 6.

5.2 Coach cancellation: The Coach will provide at least 24 hours' notice of cancellation where practicable, except in emergencies or circumstances beyond the Coach's reasonable control. A session cancelled by the Coach will be rescheduled by mutual agreement and will not count as a forfeited Client session. The package term is extended as needed to complete a session cancelled by the Coach.

5.3 Session expiry: Unused Personal Training sessions expire at the end of the package term and are not refundable or transferable, except where this Agreement or applicable law requires otherwise. Bonus sessions must also be used within the package term / coaching duration.

5.4 Health-related exception: If injury, illness, or another significant health circumstance prevents safe participation, the Client should notify the Coach promptly. Any pause, extension, or other accommodation is not automatic and must be agreed in writing, with reasonable supporting information if appropriate.

5.5 Support term: For Personal Training packages, coaching support described in Section 1 continues until the package end date even if all paid sessions have been used. This does not include additional in-person sessions beyond the package allowance.

5.6 Online Coaching billing and renewal: Online Coaching is billed monthly in advance, for the monthly period recorded on the first page of this Agreement. It renews each month unless either Party gives written notice at least fourteen (14) days before the next billing date. Fees already paid for the current month are not refundable. Any change to fees or service dates must be confirmed in writing.

6. REFUNDS AND TERMINATION

The following **7-day refund guarantee applies only to Start, Build, and Establish packages paid in full upfront**. The Client may request cancellation in writing on or before the seventh calendar day after the agreed Start Date. The refund is the total amount paid for the package, including any location surcharges paid, less (a) ₱1,000 allocated to onboarding/program design and (b) the base rate plus the location surcharge (if applicable) for each session delivered or forfeited during the period. A bonus session is deducted at the location surcharge only. The ₱1,000 retention applies only to a refund under this 7-day guarantee. Any approved refund will be processed without interest within 30 days after written confirmation.

The 7-day guarantee does not apply to Online Coaching, monthly renewals, or packages paid under a payment plan (50/50, monthly, or weekly), unless the Coach confirms otherwise in writing or applicable law requires otherwise. After the applicable guarantee period, voluntary cancellation does not automatically entitle the Client to a refund. Any financial adjustment required by law or expressly agreed in writing will be handled accordingly.

Either Party may terminate this Agreement by written notice for a material breach (including repeated no-shows without notice), serious misconduct, or by mutual written agreement. The Coach may suspend services where needed to address a safety concern, abusive conduct, or non-payment. If the Coach ends the Agreement without fault by the Client, the Coach will refund prepaid fees fairly attributable to services that will not be delivered, less amounts properly due for services already delivered. If a medical condition prevents safe participation, the Parties will first consider a reasonable pause or modification; any extension, credit, or refund must be confirmed in writing. On termination, future coaching support ends, subject to any written arrangement and applicable law.

7. COMMUNICATION AND AVAILABILITY

The Parties will use Messenger, Viber, Telegram, email, or another mutually agreed platform. Written notices may be sent to *trainwithpedz@gmail.com* or through an agreed communication platform. The Coach aims to respond within 24–48 hours on business days. The Coach is not available for emergencies or continuous monitoring. For a medical emergency, the Client should seek appropriate emergency assistance.

8. PRIVACY AND CONFIDENTIALITY

The Coach may collect and use contact details, health declarations, training history, check-in responses, and progress records as reasonably necessary to assess exercise readiness, deliver and administer coaching, communicate with the Client, and meet recordkeeping or legal obligations, in accordance with the Data Privacy Act of 2012 (RA 10173). The Coach will take reasonable steps to protect this information and limit access and retention to what is reasonably necessary or legally

required. The Client may contact the Coach to ask about their information or exercise applicable privacy rights.

Optional testimonial consent (select one): ☐ I consent to the Coach sharing anonymized progress results or testimonials for educational/marketing purposes. ☐ I do not consent. Use of the Client's name, face, photos, or videos requires separate written consent. Consent may be changed by written notice.

9. GENERAL TERMS

This Agreement, together with the Liability Waiver, the PAR-Q & Health Declaration, and the acknowledgment receipt, is the complete agreement between the Parties and replaces any earlier discussions or agreements about these services. If a conflict arises, this Agreement governs the general terms unless a written document specifically identifies and modifies the relevant provision and is acknowledged by both Parties. Amendments must be agreed in writing. Electronic signatures and written electronic acceptance may be used, subject to applicable law.

This Agreement is governed by the laws of the Republic of the Philippines. The Parties will first attempt to resolve disputes through good-faith discussion. Any court proceedings will be brought before the proper courts and forums of Parañaque City, to the extent permitted by applicable law. If any provision is unenforceable, the remaining provisions remain effective.

10. ACKNOWLEDGMENT AND SIGNATURES

By signing or electronically accepting this Agreement, each Party confirms that they have read and understood the terms, had the opportunity to ask questions, and agree to be bound by them. The Coach will provide the Client with a copy and retain a copy for recordkeeping.
